

GammaStack | Graduate Engineer Trainee (Freshers) Application Form

Welcome to the GammaStack Graduate Engineer Trainee hiring process!

We are looking for passionate and motivated graduates with strong problem-solving skills, a solid foundation in programming, and a desire to build scalable software solutions. As a Software Engineer Trainee, you'll work with experienced engineers on real-world projects while gaining hands-on experience with modern technologies.

Please complete this form carefully. Ensure all the information provided is accurate, as it will be used for the initial screening process.

Selection Process:

1. Application Screening
2. L1 Technical Round
3. L2 Technical Round
4. HR Discussion
